

# Full Circle

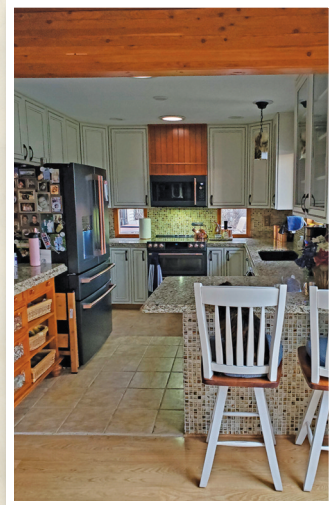

*Joe & Teresa Breed*

**Full Circle  
Project of  
the Month**

We hired Full Circle to remodel our kitchen & a half bath in our home. We've known of Full Circle for years & their reputation, as well as product line, made them the obvious choice for our home projects.

The staff was friendly, helpful and worked hard to meet our goals and timeline. The end product was terrific! We not only recommend them to others but would certainly utilize them again for our next project.
