

Full Circle

Mackinaw City Residence

**Full Circle
Project of
the Month**

Full Circle was hired to remodel the kitchen, two hallways and a half bath at our home. We were aware of them from other projects they had completed and from their advertising.

The staff was extremely helpful with ideas and suggestions. All of the staff who entered our home

was very friendly, professional, courteous, and efficient. We have recommended Full Circle to people looking to have projects completed and we will be working with them on our next project.

Our entire experience with Full Circle was positive.
