

# Full Circle

*Residence, Mackinaw City*

**Full Circle  
Project of  
the Month**

**F**ull Circle was hired to install new kitchen cabinets and countertops at our residence. We had seen their projects reviewed in the media. Also, we have friends who have used Full Circle in the past.

Everything was done very professionally, from clean up to installation to finishing the project. Jim did a great job.

Due to Covid, we were prepared for delays, but Angela always kept us up to date on where the schedule was at. Being able to get the whole package through one business was invaluable.
