

Full Circle

Scriber Residence

Full Circle
Project of
the Month

In 2010, the Scribers had asked friends for recommendations on who they should contact to remodel their kitchen. Those suggestions led them to Full Circle. They are still enjoying that kitchen so much, that they didn't hesitate to call Full Circle for their latest project – completely renovating one bathroom and updating the other. This new project included heated floors in both bathrooms; creating convenient access to shut-off valves in the crawl space and new tile on the fireplace hearth.

“Our entire experience with Full Circle was

positive! Dave is an excellent project leader. Tony was very meticulous in his carpentry work, and Gary's tiling work was excellent. With this being an old house some problems arose. They knew how to work through them and the result is beautiful!”

The Scribers appreciated the constant contact throughout the project. At the end of each day they were given updates and what the plans looked like for the next day.

“We are thoroughly pleased with their work and would recommend them to anyone”.
