Mike and Rhonda Finn - Cheboygan MI

Full Circle
Project of
the Month

I have been using Full Circle for over 35 years. Work includes, but is not limited to, roofing, siding, replacement windows, kitchen and bath remodels. Also, they have performed many repair jobs, including those for insurance claims.

Because of the complete confidence in Full Circle's work, we scheduled the ceiling job for a period of time we would be out of state. Lucky for us, they were on site when we experienced storm damage and they contacted us immediately. Dan was able to do a temporary roof repair so we wouldn't incur any additional damage until permanent repairs could be performed in the spring.

I have recommended Full Circle to all my family members and friends who have been equally as satisfied with their work, professionalism and courtesy. They are always honest and I can't stress enough how impressed we are with how they clean up the job site at the end of every work day. I love everyone and everything about this company!
