

# Full Circle

*Tom & Kathy Zimmerman - Cheboygan MI*

**Full Circle  
Project of  
the Month**

**After**

Full Circle helped us in remodeling our outdated kitchen. It needed to be completely gutted and the layout moved around. It is now updated, more functional and a beautiful space together with family. Dave and Angela were very helpful in the planning and took care of problems promptly. Jim and Gary are hard workers who took pride in their work and kept the work space clean at the end of each day. They all did a great job and we would recommend them for others remodeling their homes. We are planning to use them for more upcoming projects.
