

Full Circle

Wayne & Cherie Precord, Cheboygan

**Full Circle
Project of
the Month**

When the Precords decided to remodel their bathroom, they chose to call upon the same company that had previously installed their basement steps ~ Full Circle Contracting and Home Center.

This bathroom remodel included the installation of a new, larger shower, a new toilet, tile in the shower and new flooring.

“Gary did a terrific job! He worked non-stop every day to get the job done, and always cleaned up every evening.”

“Full Circle was very good at keeping us informed on the progress of this project from start to finish. They made sure we knew what was happening and what to expect.”

“We would not hesitate to recommend Full Circle to anyone!”
